## WOODEN TOYS Toy project starts up

The Elves at the Suncoast Woodcrafters Guild (toy making committee) would like to thank the Elves Club Telethon for announcing its inaugural Christmas toy project. The group will be donating up to 80 hand-made toys for special children this Christmas on the Sunshine Coast.

Pictured left to right are Richard Barry, Dave Beauchesne, Tom Hourigan, Brian Lucas, Don Ewald and Dave Bell.

The guild would also like to thank Barry Vachon, Ken Walker, Hugh Monroe, Dave Reid and Bob Knight who were unavailable for the photo. Any interested woodworkers are most welcome to join the guild. Call Brian at 604-885-7051 or see [www.suncoastwoodcrafters.com](http://www.suncoastwoodcrafters.com).
