TOY DONATION: The Suncoast Woodcrafters Guild recently donated 40 toys to Sunshine Coast Community Services to be given to children in need this Christmas Season. Vicki Dobbyn, executive director of Sunshine Coast Community Services, was on hand to receive the toys. "These toys are amazing ... I wish I were a child again," Dobbyn said. "It's heartwarming to think of a group of community members getting together to make special toys for children, toys that will get passed on from generation to generation." Making these toys would have not been possible without the generosity of Bob Knight and Sunshine Coast Home Building Centre who donated all the wood for the Guild's wonderful creations. For more information about how you can help the children of our community, contact Dobbyn at 604-885-5881. Pictured are Dobbyn with Brian Lucas, Ken Walker and Tom Hourigan.
