

Wood Expo ~ Success

The Community Forest presented WOOD Expo 2015 at the Seaside Centre on September 19, 2015. This free event was well attended and we consider it a huge success. There were 19 local exhibitors showing the beauty and diversity of wood through their various projects. There were furniture and toy makers, carvers, a cedar hat weaver, artists, hobbyists, a boat builder, bowl turners and more. The over 550 people who came through the doors were awed by the talent they saw. We want to thank the following exhibitors for participating in the Expo:

Alden Earthworks	Beachcomber's Daughter	Bent's Wooden Toys
C&H Woodcraft	Dylan Cappadocia	Coast Raven Design Studio
D Petersen Furniture Restoration	Dragonfly Guitars	
Derek Georgeson	Doug Ives	Lyn's Artistry in Wood
Plumb Bob	Red Herring Studio	Rick Crook
Sunshine Coast Woodcrafters Guild	Slakov Woodventures	
Sugars Cabinets & Millwork	Shyanne Watters	West Coast Log Homes

We also thank Phitted Design for assistance with promotional materials, the Rotary Club of Sechelt for providing a terrific lunch and the Community Forest board members who volunteered their time.

If you saw something you liked at the Expo but did not get the contact information necessary to follow up with the artist, please contact Linda at the Community Forest at 604-885-7809 or info1@sccf.ca to get the artist's contact information.

Thanks to all who attended and we'll see you again next year.
