SUNCOAST WOODCRAFTERS: Members of the Suncoast Woodcrafters Guild, sponsors (Lehigh Cement, Community Forest, and the Sunshine Coast Regional District) and Sunshine Coast Community Services Society (SCCSS) celebrated the donation of more than 100 beautifully handcrafted wooden toys that will be given to low-income families in our community. Treasures include wooden trains, doll houses, puzzles, walking ducks, and jewelry boxes. The donations will form part of the North Pole project, a magical room filled with goodies, toys, clothing, art and other gifts — all donated by people from our community. SCCS clients have the opportunity to visit the North Pole to select gifts for their loved ones.
