Dear Ken and Members,

**Subject : Your donation to our North Pole Program in 2016**

We would like to express our “thanks” for your generous donation to the North Pole program in 2016, without which we would not have been able to make the week a great success for all our clients. Your support has made it possible to be able to extend this vital program to our clients of all ages.

Community Services depends entirely on such support and your contribution was gratefully received, helping us meet the growing need for the most vulnerable in our community in these difficult economic times. We also appreciate that you have chosen to donate the toys not taken during the North Pole to the programs that can use them.

Once again, please accept our combined thanks and, wishes for a successful and prosperous 2017 for you and your family.

Yours Sincerely,

**Catherine Leach**  
**Executive Director**
